I confirm receipt of your correspondence dated 5<sup>th</sup> November 2021. I can also confirm that we have received a request from DFI to hold Public Inquiry into regionally significant and called in planning applications under Section 26 and Section 29 of the Planning Act (Northern Ireland) 2011 - Planning References LA10/2017/1249/F (Dalradian Gold Ltd); LA10/2019/1386/F (NIE Networks); and LA10/2019/1000/F (NIE Networks). We are currently in the process of receiving the relevant papers from DfI.

I have been assigned as Programme Officer by the Commission in relation to the administration of the public inquiry and would ask that you contact me to discuss arrangements for the submission of papers. If there are substantial representations to the above please provide a list of the names and addresses of those who have made representations. We would appreciate if you could provide 3 hard copies and an electronic copy of the documents to the Commission.

Yours sincerely
