

Our Ref: ASSI 396

1 June 2018

Dear [REDACTED]

OWENREAGH RIVER PROPOSED AREA OF SPECIAL SCIENTIFIC INTEREST (ASSI)

Fermanagh and Omagh District Council and Northern Ireland Environment Agency staff are proposing to jointly host an information evening for landowners in the proposed ASSI.

Meeting details:

Date – Monday 11 June

Start time – 7pm

Location – Council Chamber, The Grange, Mountjoy Road, Omagh BT9 7BL

The aims for this information session are for the landowners in this proposed ASSI:

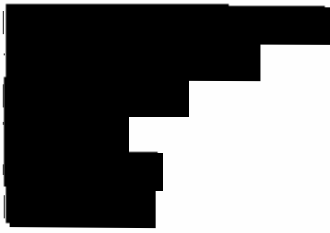

- To have an opportunity to discuss the scientific background as to why this site was proposed as an ASSI,
- To receive details of the current consultation, and
- To increase their understanding of the on-going management and liaison with DAERA and potential implications, such as Environmental Farming Scheme funding.

Councillors for the District Electoral Area covering this part of the Owenreagh River will also be invited to attend the information evening.

Yours sincerely,

[REDACTED]

Conservation Designations and Protection

Our Ref: ASSI 396

1 June 2018

Dear [REDACTED]

OWENREAGH RIVER PROPOSED AREA OF SPECIAL SCIENTIFIC INTEREST (ASSI)

Fermanagh and Omagh District Council and Northern Ireland Environment Agency staff are proposing to jointly host an information evening for landowners in the proposed ASSI.

Meeting details:

Date – Monday 11 June

Start time – 7pm

Location – Council Chamber, The Grange, Mountjoy Road, Omagh BT79 7BL

The aims for this information session are for the landowners in this proposed ASSI:

- To have an opportunity to discuss the scientific background as to why this site was proposed as an ASSI,
- To receive details of the current consultation, and
- To increase their understanding of the on-going management and liaison with DAERA and potential implications, such as Environmental Farming Scheme funding.

Councillors for the District Electoral Area covering this part of the Owenreagh River will also be invited to attend the information evening.

Yours sincerely,

Conservation Designations and Protection
