

█ Note of meeting at █ 1/2/23

Attendees

█,

NIEA █, █ and █

█ gave brief introductions as █ and outlined that report on lagoons was now complete and NIEA considering recommendations.

Discussion had on the recommendations and █ states he would have the pipe fixed immediately. █ stated he checked lagoons on weekly basis.

NIEA will be issuing notices based upon recommendations. If the pipe is fixed no need for █ █ will be issued shortly and will require a timeframe for actions to be completed.

NIEA advised that depending upon what remedial actions █ decide to put in place the appropriate permissions will need to be sought such as HRA/consent/planning permission before starting. █ can provide █ with contact details of █ colleagues.

█ acknowledged and stated willing to work with NIEA to get a solution.

█ stated we would provide correspondence to █ following meeting outlining what was discussed.
