Good afternoon,

Mid Ulster Council Environmental Health received a complaint relating to ENVA, address 52 Creagh Road, Toomebridge BT41 3SE. The complaint relates to crushed glass which appears to be blowing out from the facility onto the public road, footpath, and adjacent business. We believe ENVA is regulated under a waste management licence and hence wish to refer the complaint for follow up action with the company concerned.

Complainant details and photos are attached below.

Should you require any further information please do not hesitate to contact me

Kind regards
