

Internal Incident Report

Incident Number

WR 4/24/0166

Incident Title

Discoloured discharge reported from fish farm in Crumlin

Incident Date

06/11/2024 11:30:00

**Investigation
Details**

Fish farm inspected at 11.30 (3/4 of an hour after the complainants photograph was taken). Water flowing through the farm was clear at both inlet and outlet. Farm owner and manager were present and were spoken to, they said there had been no problems.

River then inspected above and below Mill Street and observed to be clean. It also appeared to be clear to the rear of the complainants house.
