Chemical Spraying at Warrenpoint Port

08/11/2025 15:45:00

This relates to a complaint about chemical spraying at Warrenpoint Port by [REDACTED]. Upon receiving complaint I passed to Ops SSO and PSO asking that the necessary teams be involved- Waste and IPRI and Regulation as this site is PPC/ IPRI licensed and HSENI may also have a lead role as well. I have emailed the SSO on two occasions since and a meeting is to take place with the relevant parties in the first week in January 2025. I will be asking for a joint site investigation /meeting to be undertaken to asses the nature of the complaint and determine any risk of or any occurrence e of water pollution. To be continued once meeting takes place
