Dear ██████████

Environmental Information Regulation 2004

With regard to your request for information received by the Department on 13 April 2026 which sought the following information:

“Could I have annex B on waste dumping released in a spreadsheet or .csv format as well please, otherwise it’s very hard for me to calculate or do anything with the figures. See attached FOI and I’ve CC’d in the FOI team as I’ve asked this of them previously but haven’t had a response. Is there any chance I could get the figures updated until the end of the calendar year of 2025”

I can advise that the Department has completed its search and can confirm that it holds the information you requested which is attached at **Annex A** and **Annex B**.

If you require any clarification, believe that any part of your request has been overlooked, misunderstood or misinterpreted, please contact me in the first instance to see if it is a matter that can be resolved.

If you are unhappy with the manner in which your request for information has been handled or the decision to release/withhold information, you have the right to request
