[REDACTED]

The agent has supplied further environmental info so the consultation has just been sent to all teams that commented previously. M&FD should review the additional info and comment as required.

Regards

[REDACTED], can you shed any light on this, I think it is just more information for consideration .

Thanks.

MCR are unclear as to the reason for Reconsultation. We did not request further information in our previous response. Please request comment on our previous response and how the Planning Authority would like us to consider the new FEI.

Thanks

Subject: LA02/2018/1145/F - Marine and Fisheries Division Planning Consultation Response - Reconsultation

All,

Please find attached template for your input. This is a reconsultation as more information has been uploaded onto the Planning Portal.

Please return your response to Marine Info mailbox by Friday 3rd September, or advise if you need more time to consider your response.

Many thanks
