16 June 2026

Dear [REDACTED],

Environmental Information Regulations 2004

I refer to your request for information received by the Department on 3 June 2026 that sought the following information:

Quarterly return data submitted for the following Regen Waste facility authorisations, covering the period from Q2 (July–September 2025) through to Q4 (January–March 2026):

1. P0418/13A
2. P0610/23A
3. LN/13/35 – WML 22/59
4. LN/17/16 – WML 38/10

Sustainability at the heart of a living, working, active landscape valued by everyone.

If you are deaf or have a hearing difficulty you can contact the Department via the Next Generation Text Relay Service by dialling 18001 + telephone number.

Under Regulation 6(1)(b) the Department is excepted from the duty to disclose the information requested relating to all these authorisations in the period Q2 2025-26 (Jul-Sep 2025) to Q4 2025-26 (Jan-Mar 2026) on the grounds that this information has already been requested (18/5/26) and supplied (12/6/26) to you under a previous EIR, DAERA/26-345. It should be noted that there were only 11 working days between the submission of these 2 requests which is significantly less than the typical max. allowed 20 working day response window. Again, we note the continuing repetitive nature of this request.

If you require any clarification, believe that any part of your request has been overlooked, misunderstood or misinterpreted, please contact me in the first instance to see if it is a matter that can be resolved.

If you are unhappy with the way your request for information has been handled or the decision to release/withhold information, you have the right to request a formal review by the Department. If you wish to do so, please contact The Review Section either by e-mailing daera.informationmanager@daera-ni.gov.uk or by post at The Department of Agriculture, Environment and Rural Affairs, Data Protection & Information Management Branch, Floor 2, Jubilee House, 111 Ballykelly Road, Ballykelly, Limavady BT49 9HP, within two months from the date of this letter.

If after such an internal review you are still unhappy with the response, you have the right to appeal to the Information Commissioner at Wycliffe House, Water Lane, Wilmslow, CHESHIRE SK9 5AF, who will undertake an independent review of the Department's decision.

Yours sincerely,

NIEA Waste Regulation

Sustainability at the heart of a living, working, active landscape valued by everyone.

If you are deaf or have a hearing difficulty you can contact the Department via the Next Generation Text Relay Service by dialling 18001 + telephone number.
