

Land Soil Air

Section Reference: LA09/2025/0873/F

Proposal:

Free Range Poultry Shed with 4 no Feed Bins, a Storage Shed and all associated Site Works (Poultry Shed to contain 32,000 Free Range Egg Laying Hens).

Planner has requested comment with the following reason - "as per SES last comment dated 22/5/2026 can you also confirm Recon Waste Management is authorised to accept poultry litter"

Location:

Syerla Enterprises Ltd
Land approximately 150M West of 39 Granville Road, Dungannon

Considerations:

Waste Regulation advises that poultry litter is typically classified under EWC 02 01 06 (animal faeces, urine and manure, including spoiled straw, effluent, collected separately and treated off-site).

ReCon Waste Management Limited (WML 30/39) is not currently authorised to accept waste classified under this EWC code.
