### Disease awareness, disease preparedness and disease control

The Secretary of State has exercised discretion under Regulation 3 of the Windsor Framework (Implementation) Regulations 2024 not to exercise direction and control over functions concerned with disease awareness, disease preparedness and disease control in respect of both Animal and Plant Health, effective from 17 May 2024, across all legislation listed below, as relevant.

On 16 July 2025, Baroness Hayman the Parliamentary Under Secretary of State confirmed that:

- The DAERA Minister has direction and control over disease control measures within Northern Ireland (NI), irrespective of category of disease.
- The DAERA Minister, under Part 7 of Animal Health Law, has direction and control over the restriction of the movement of live animals, products of animal origin and germinal products in response to outbreaks of European Union (EU) listed and emerging diseases. This applies both within NI and for movements into NI irrespective of their provenance.
