Dear Sir/Madam,

**RE: Client - Mr M Cassidy - Business Id 645677 Farm Survey Number 4/34/91
Land at Drumguiff, Lisnaskea.**

Thank you for your clarification correspondence received by the Department on 8 June 2026 in which you have requested confirmation of:

“Payments of entitlements in respect of the lands above for the years 2009 to 2012 inclusive. You have also requested to know the amount of entitlements that were paid and to whom these payments were made”.

The Department has considered your request and carried out a search of records, and I can confirm that it holds some information related to your request. However, please note that information relating to subsidy payments made to any third party has been withheld as the Department considers this to be personal data of which, you are not the data subject.

The Department considers regulations 12(3) and 13(1) of the EIR to be engaged, which state:

12(3) “To the extent that the information requested includes personal data of which the applicant is not the data subject, the personal data shall not be disclosed other than in accordance with Regulation 13”; and

13(1) “To the extent that the information requested includes personal data of which the applicant is not the data subject.”

If you are deaf or have a hearing difficulty you can contact the Department via the Next Generation Text Relay Service by dialling 18001 + telephone number.

As some of the information held constitutes personal data, the Department is required to consider if disclosure would breach the first Data Protection principle which states that processing must be “lawful, fair and transparent.” A lawful, fairness and transparency test has been conducted and is attached.

The Department has considered this element and has determined that no lawful basis for disclosure under EIR exists, bearing in mind, that any such disclosure must be considered in terms of disclosure to the “world at large,” and not to just you, the requester. Consequently, the personal data falling within the scope of this request has been withheld.

If you require any clarification or believe that any part of your request has been overlooked, misunderstood or misinterpreted, please contact the Agricultural and Environmental Schemes Division Information Management Team at the email address or telephone number above in the first instance, to see if it is a matter that can be resolved.

If you are unhappy with the manner in which your request for information has been handled or the decision to release / withhold information, you have the right to request a formal review by the Department. If you wish to do so, please contact The Review Section either by e-mailing daera.informationmanager@daera-ni.gov.uk or by post at The Department of Agriculture, Environment and Rural Affairs, Data Protection & Information Management Branch, Jubilee House, 111 Ballykelly Road, Ballykelly, Limavady BT49 9HP, within two months from the date of this letter.

If after such an internal review you are still unhappy with the response, you have the right to appeal to the Information Commissioner at Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF, who will undertake an independent review of the Department’s decision.

In regard to any subsidies paid to you, the Department has applied Regulation 5(3) as the Environmental Information Regulations 2004 do not apply to your own personal data. As such, your own information has been provided to you under your right of access, as a Subject Access Request.

I trust this is the information you require.

Yours sincerely,
