(please circle)

Name

Address

Telephone number

Email

Where no was answered, the Department will not be able to provide your details to any member of the public, and your business will not be included in a list of operational ACH establishments published on the DAERA website.

Section 3: Signed declaration

- I wish to apply for permission to operate an Alternative Control Herd - Calf Rearing Unit (CRU).
- I understand that permission to operate an ACH - CRU is subject to satisfactory inspection and veterinary risk assessment by DAERA. Any recommendations arising from this must be implemented. Failure to do so will result in an application being refused or withdrawn as appropriate.

Please check you have included the following with your application:

☐

A site map including location of the CRU building within the premises, any other farm buildings and grazing parcels on site.

☐

A biosecurity protocol, to include at the minimum:

- A unit entry protocol for staff and visitors (permissions, Cleansing & Disinfection, Personal Protective Equipment, etc)
- Wildlife biosecurity measures
- Cleansing & Disinfection protocol and record keeping principles for low risk shared equipment such as machinery, farm vehicles, etc
- Biosecurity protocol and record keeping principles for storage and disposal of slurry/manure/bedding, to include estimated quantities

Applications cannot be processed unless all the above are included.

Applicant signature:

Date:

Please return this form and the premises plan to Veterinary Service Animal Health Group at your local DAERA Direct office.

Privacy Statement:

The Department takes data protection, freedom of information and environmental information issues seriously. It takes care to ensure that any personal information received from you is dealt with in a way which complies with the requirements of the UK General Data Protection Regulation and the Data Protection Act (2018). This means that any personal information you supply will be processed principally for the purpose for which it has been provided. However, the Department is under a duty to protect the public funds it administers, and to this end may use the information you have provided for this purpose. It may also share this information with other bodies responsible for the audit or administration of public funds, in order to prevent and detect crime.

In addition, the Department may also use it for other legitimate purposes in line with the UK General Data Protection Regulation, Data Protection Act 2018, Freedom of Information Act 2000 and Environmental Information Regulations 2004.
