Dear Marine Licensing Team

SINCLAIR WHARF

On behalf of our Client, Belfast Harbour Commissioners, we enclose an application for Marine Construction Works at Sinclair Wharf, along Herdman Channel, Belfast Harbour.

Sinclair Wharf is an operational cargo wharf in Belfast Harbour, used principally for dry bulk handling, comprising of a 420m long concrete dock with various dry storage bays. The proposed works comprise concrete repairs to the deck soffit; concrete repairs and strengthening to pile heads; concrete encasement of steel box piles; plate repairs to the sheet pile wall and box piles; installation of 25 No. new fender systems, maintenance / replacement of cathodic protection system and the installation of a precast concrete headwall on the Southern end of the wharf with a pipe outfall on the Northern end to facilitate a future drainage scheme planned for the wharf.

We enclose the following electronically:

- Completed application form
- Project Drawings
- Preliminary methodology statement for the proposed works
- Outline Construction Environmental Management Plan
- Habitat Regulations Assessment

Payment of the sum of £17,991 will be transferred electronically by the Client. This value is as per Table 1 Marine Construction Licence, Band I (Marine Licensing Application Fees (Northern Ireland) 2026).
