Dear [redacted],

Environmental Information Regulation 2004

With regard to your request for information received by the Department on 08 October 2026 which sought the information set out in Appendix A.

I can advise that the Department has completed its search and can confirm that it holds the information you requested which is answered in red text in Appendix A below.

For sub-request two, no information is held, thus Regulation 12(4)(a) has been engaged.

For sub-request four, supporting documents have been published to the public register, thus Regulation 6(1)(b) form and format has been engaged.

If you require any clarification, believe that any part of your request has been overlooked, misunderstood or misinterpreted, please contact me in the first instance to see if it is a matter that can be resolved.

If you are deaf or have a hearing difficulty you can contact the Department via the Next Generation Text Relay Service by dialling 18001 + telephone number.

If you are unhappy with the manner in which your request for information has been handled or the decision to release/withhold information, you have the right to request a formal review by the Department. If you wish to do so, please contact The Review Section either by e-mailing daera.informationmanager@daera-ni.gov.uk or by post at The Department of Agriculture, Environment and Rural Affairs, Data Protection & Information Management Branch, Floor 2, Jubilee House, 111 Ballykelly Road, Ballykelly, Limavady BT49 9HP, within two months from the date of this letter.

If after such an internal review you are still unhappy with the response, you have the right to appeal to the Information Commissioner at Wycliffe House, Water Lane, Wilmslow, CHESHIRE SK9 5AF, who will undertake an independent review of the Department's decision.

Yours sincerely,

Waste Permitting Team

Appendix A

Under the Environmental Information Regulations 2004, please provide the following for PPC Permits P0479/15A (NWP Keady) and P0341/10A (NWP Glenside):

1. Whether NIEA holds any application to vary either permit that is currently undetermined or has received one since 1 April 2025. This includes applications NIEA treats as "standard" variations.
   The Department received an application on 05 February 2026 to vary permit P0341/10A, which is currently undetermined.

2. Whether NIEA has started, or is considering, any variation of either permit on its own initiative under regulation 19(1) of the PPC Regulations 2013.
   No information held.

3. Any notification of a proposed change in operation received from NWP under regulation 18(1) for either permit since 1 April 2025.
   No notification of a proposed change in operation has been received by the Department from NWP beyond those proposed in the variation application mentioned above.

4. For each item above, a copy of the full application or notification as submitted, including all supporting documents, and the date received.
   You can find supporting documents for the variation application mentioned above on the public register Pollution Prevention and Control permitted processes | Public registers | DAERA

All of this information is required to be on the public register under Schedule 16, paragraph 1(1)(g) to (i) of the PPC Regulations 2013. Where it is already on the register, a link will be enough.

If you are deaf or have a hearing difficulty you can contact the Department via the Next Generation Text Relay Service by dialling 18001 + telephone number.
