These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972, and it appears to the Department that it is expedient for any reference to the following Regulations to be construed as a reference to those Regulations as amended from time to time—

(b) Condition C, D or E is met.

(7) Condition A is that on the premises there are items of the type mentioned in regulation 19(1)(a) or documents or records of the type mentioned in regulation 19(1)(e) and that their inspection is likely to disclose evidence of a contravention of, or failure to comply with, these Regulations.

(8) Condition B is that a contravention of, or failure to comply with, these Regulations has occurred, is occurring or is about to occur on those premises.

(9) Condition C is that admission to the premises has been, or is likely to be, refused, and that the occupier has been informed (whether orally or in writing) that a warrant may be applied for.

(10) Condition D is that admission to the premises has been, or is likely to be, refused, and informing the occupier that a warrant under this regulation may be applied for may defeat the object of the entry.

(11) Condition E is that the premises are unoccupied or that the occupier is temporarily absent and it may defeat the object of the entry to await their return.

(12) A warrant granted under paragraph (5)—

(a) is valid for one month, beginning with the day it is granted; and

(b) must be produced for inspection to the person (if there is one) who appears to the officer to be the occupier, or the person in charge, of the premises.

(7) O may seize and detain any item of the type mentioned in paragraph (1)(a)(iii) to (vi) or document or record mentioned in paragraph (1)(e) that O has reason to believe may be required as evidence in proceedings under these Regulations.

(9) O may seize any computer equipment for the purpose of copying documents or records of the type mentioned in paragraph (1)(e), and for checking the data on, and operation of, any computer equipment that is, or has been, in use in connection with, those documents or records (and in doing so may recover data), provided it is returned as soon as practicable and, in any event, within 28 days, beginning with the day in which the equipment is seized.

(13) O must not exercise the powers under this regulation except on the production, if so required, of a duly authenticated document showing their authority.

(14) In this regulation “premises” includes any place and any vehicle, trailer, stall or moveable structure.

Procedure on seizure

20.—(1) An authorised officer (“O”) must follow the procedures set out in this regulation if they seize anything under regulation 19(7), (8) or (9).

(4) A person having a proprietary interest in the seized item or computer equipment (including a creditor who has a debt secured on the item or computer equipment) may notify the enforcement authority of any claim that the seized item or equipment was not liable to seizure, setting out the grounds for the claim in full.

(5) The claim must be made within 28 days of the seizure, beginning on the day on which the seized item or computer equipment is seized, to the address specified in the seizure notice.

(6) If a notification of a claim is not received within 28 days in respect of an item seized under regulation 19(7), the enforcement authority may retain the seized item for as long as necessary while it is being held for the purpose of any criminal investigation or proceedings or for use as evidence at a trial.

(7) If a notification of a claim is received within 28 days in respect of an item seized under regulation 19(7), the enforcement authority must—

- (b) retain the seized item for as long as necessary while it is being held for the purpose of any criminal investigation or proceedings, or for use as evidence at a trial, but it must notify the claimant that the seized item is being retained, and of the reason why it is being retained within 14 days, beginning with the day on which the claim is received.

(8) If a notification of a claim is not received within 28 days in respect of an item seized under regulation 19(8), the enforcement authority may—

- (a) if a decision is taken by the enforcement authority not to destroy the seized item but to retain it for the purpose of any criminal investigation or proceedings, or for use as evidence at a trial, retain the seized item for as long as necessary for one of those purposes, but the enforcement authority must—
 - (i) notify the relevant person that the seized item is being retained, and of the reason why it is being retained, within 14 days of the expiry of the claim period, beginning with the day after the claim period expires; or
 - (ii) where the enforcement authority does not know who the relevant person is, and this cannot be ascertained after reasonable enquiries have been made by the enforcement authority, attach a notice to a conspicuous part of the premises, or a conspicuous object on those premises, within 14 days of the expiry of the claim period, beginning with the day after the claim period expires, stating that the seized item is being retained, and the reason why it is being retained; or

(b) destroy the seized item within 28 days, beginning with the day after the 28 day claim period expires, if it reasonably believes that the item contravenes these Regulations, and—

(Proposed Amendment Highlighted in Yellow)

(i) notify the relevant person that the seized item has been destroyed within 14 days of its destruction, beginning with the day on which the item is destroyed (or the last day of its destruction where the destruction of the item takes place on more than one day); or

(ii) where the enforcement authority does not know who the relevant person is, and this cannot be ascertained after reasonable enquiries have been made by the enforcement authority, attach a notice to a conspicuous part of the premises, or to a conspicuous object on those premises, within 14 days of the destruction of the item, beginning with the day on which the item is destroyed (or the last day of destruction where the destruction of the item takes place on more than one day) stating that the seized item has been destroyed.

(9) In paragraph (8) the “relevant person” means—

(a) if the enforcement authority knows the identity of a person with a proprietary interest in the seized item, that person or (where they know the identity of more than one person with a proprietary interest in the seized item) each of those persons; or

(b) if the enforcement authority does not know the identity of a person with a proprietary interest in the seized item, the person appearing to them to be in charge of the premises.

(10) In the case of any item destroyed under paragraph (8)(b), the enforcement authority may recover the following costs as a debt from any person who had a proprietary interest in the item immediately before its destruction (apart from a creditor who has a debt secured on the item)—

(a) the costs of the removal and transport of the item from the premises to the place at which it is stored;

(b) the costs of the storage of the item for up to 28 days;

(c) any costs for the removal and transport of the item if it is moved from one place of storage to another place of storage

(d) the costs of the transport of the item from the place of storage to the place of destruction; and

(e) the costs of the destruction of the item.

(11) If a notification of a claim is received within 28 days in respect of an item seized under regulation 19(8), the enforcement authority must—

(a) return the seized item within 14 days, beginning with the day on which the claim is received;

(b) if a decision is taken by the enforcement authority not to destroy the seized item but to retain it for the purpose of any criminal investigation or proceedings or for use as evidence at a trial, retain the item for as long as necessary for one of those purposes but the enforcement authority must notify the claimant that the seized item is being retained, and of the reason why it is being retained, within 14 days of the claim, beginning with the day on which the claim is received; or

(c) within 14 days of the claim, beginning with the day on which the claim is received, take proceedings (“regulation 20(11)(c) proceedings”) in a magistrates’ court for an order giving them authority to destroy the item.

(12) In regulation 20(11)(c) proceedings the magistrates’ court may—

(a) authorise the enforcement authority to destroy the seized item;

(b) authorise the enforcement authority to retain the item for the purpose of any criminal investigation or proceedings, or for use as evidence at a trial, for as long as necessary for one of those purposes; or

(c) require the enforcement authority to return the item to the claimant and impose a deadline by which this must be done.

(13) If, in regulation 20(11)(c) proceedings, the magistrates’ court authorises the enforcement authority to destroy the seized item, the court may also make an order requiring the claimant (but not a claimant who is a creditor with a debt secured on the item) to pay such of the following costs as the court may specify—

(a) the costs of the removal and transport of the item from the premises to the place at which it is stored;

(b) the costs of the storage of the item for up to 28 days;

(Proposed Amendment Highlighted in Yellow)

(a) return the seized computer equipment within 7 days of the claim, beginning with the day on which the claim is received, or, if shorter, within the remainder of the maximum 28 day period provided for in regulation 19(9); or

(b) take proceedings in a magistrates' court within 7 days of the claim, beginning with the day on which the claim is received unless there are 7 days or less remaining before the expiry of the maximum 28 day period provided for in regulation 19(9), for an order authorising the enforcement authority to retain the seized computer equipment in accordance with the requirements laid down in regulation 19(9).

(15) If, in the case of any computer equipment seized under regulation 19(9), the magistrates' court authorises the enforcement authority to retain the seized computer equipment, the court may impose conditions as to the basis on which the equipment may continue to be retained, including the imposition of a deadline by which the equipment must be returned that is shorter than the 28 day maximum period provided for in regulation 19(9).

(16) The procedure in a magistrates' court under this regulation is by way of complaint and the Magistrates' Courts (Northern Ireland) Order 1981(19) applies to the proceedings.

(8) A person, other than O and P, who knows about a regulation 21(4) compliance notice, is guilty of an offence if they remove an item to which the notice relates (although the notice was not given to them) from the premises on which it was found by O in contravention of the terms of that notice unless directed in writing by O to do so.

(c) to retain such records for such period as the Department may reasonably require.

(3) But the Department must not give a direction under paragraph (1) unless the records to which the direction relates are of a type that are normally kept in the course of a business by persons carrying on any activity regulated by a provision mentioned in Schedule 1, 2 or 3 and—

(a) the direction will be given on or before 28 October 2010 and the Department reasonably suspects that the person to whom the direction will be given has contravened, or failed to comply with, any provision mentioned in Schedule 1, 2 or 3 since the coming into operation of these Regulations;

(b) the direction will be given on or before 28 October 2010, the person to whom the direction will be given has been convicted of an offence under regulation 4, 8 or 15 of these Regulations and the Department reasonably suspects that, since the conviction, that person—

(4) The specified address is also to be treated for the purposes of this regulation and section 24 of the Interpretation Act (Northern Ireland) 1954 in its application to this regulation as the person’s proper address.

(5) If a notice under these Regulations to be given to a person is sent by an enforcement authority by an electronic communication, it is to be treated as given only if—

EXPLANATORY NOTE
(This note is not part of the Regulations)

These Regulations revoke and replace the Eggs and Chicks (No. 2) Regulations (Northern Ireland) 2008 (S.R. 2008 No. 451).

As in the 2008 Regulations, they make provision for the enforcement and execution of directly applicable EC marketing standards relating to eggs for hatching and farmyard poultry chicks and directly applicable EC marketing standards relating to eggs in shell for consumption. They also make new provision for the enforcement of directly applicable EC controls for *Salmonella* serotypes with public health significance in relation to the marketing and use of eggs in shell for human consumption.

As regards the EC marketing standards relating to eggs for hatching and chicks, these Regulations—

- (a) make the failure to comply with the provisions of Council Regulation (EC) No. 1234/2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) (O.J. No. L 299, 16.11.2007, p. 1) and Commission Regulation (EC) No. 617/2008 (O.J. No. L 168, 28.6.2008, p. 5) mentioned in Schedule 1 an offence (regulation 4);
- (b) include provisions relating to the registration of pedigree breeding establishments, other breeding establishments and hatcheries (regulation 5); and
- (c) provide an exception from Article 3(2) of Commission Regulation (EC) No. 617/2008 by allowing eggs for hatching to be marked in a different manner from that mentioned in that provision (regulation 6).

As regards the directly applicable EC marketing standards relating to eggs in shell for consumption, these Regulations—

- (a) make the failure to comply with the provisions of the Single CMO Regulation and Commission Regulation (EC) No. 589/2008 (O.J. No. L 163, 24.6.2008, p. 6) mentioned in Schedule 2 an offence (regulation 8);
- (b) include provisions relating to the authorisation of packing centres to grade eggs (regulation 9);
- (c) provide an exception from the provisions of points III(1) and (3) of Part A of Annex XIV to Single CMO Regulation, as regards the marking of eggs for consumption (regulation 10);
- (d) vary the minimum requirements for the marketing of eggs as free-range eggs by authorising livestock grazing on open-air runs for hens producing such eggs (regulation 11);
- (e) provide an exception from the provisions of Commission Regulation (EC) No. 589/2008, by allowing eggs to be marketed as free-range eggs although not all of the requirements laid down in that Regulation for free-range eggs are met (regulation 12); and
- (f) provide an exception from the provisions of Commission Regulation (EC) No. 589/2008, by allowing eggs to be marketed as barn eggs although not all of the requirements laid down in that Regulation for barn eggs are met (regulation 13).

As regards the new *Salmonella* related controls, the Regulations include a provision making the failure to comply with the provisions of Regulation (EC) No. 2160/2003 (O.J. No. 325, 12.12.2003, p. 1) of the European Parliament and of the Council on the control of *salmonella* and other specified food-borne zoonotic agents mentioned in Schedule 3 an offence (regulation 15).

These Regulations also provide for district councils and the Department to enforce the Regulations (regulation 16) and impose a duty on enforcement authorities to give assistance and information to each other (regulation 17). They confer powers of entry (regulation 18) and other powers (regulation 19), including seizure and destruction powers. They require certain procedures to be followed in the event of any exercise of the seizure powers (regulation 20). They provide for the issue of compliance notices (regulation 21) and provide for appeals against certain decisions of the Department and district councils (regulation 22). They enable the Department to impose additional record-keeping requirements (regulation 23). They provide for the destruction of seized products and the giving of compliance notices to be publicised (regulation 24).

They make obstruction an offence (regulation 25) and provide for the punishment of criminal offences (regulation 26). They contain provisions extending the period during which a prosecution may be brought (regulation 27).

They also contain provisions relating to the giving of notices (regulation 28). They apply various provisions of the Food Safety (Northern Ireland) Order 1991 to the Regulations (regulation 29) and make a transitional provision (regulation 30).

A Regulatory Impact Assessment has not been prepared for these Regulations as they have no impact on business.
