

Rural Development Programme 2014 – 2020

Farm Business Improvement Scheme - Capital Tier 1 (Tranche 2)

Annex A - List of Eligible Items

Maximum Amount of Grant Support Payable per Item

Countryside

Services

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Farm Business Improvement Scheme - Capital (FBIS-C) Tier 1 (Tranche 2)

List of Eligible Items

Maximum amount of grant support payable per item

Please note that grant support under Tier 1 (Tranche 2) will be subject to budget availability in 2018-19.

Pre-approvals

Please use the following links for information regarding regulatory pre-approvals for:

Incinerators – For information on approval to incinerate animal by-products refer to Annex H of the (FBIS-C) Tier 1 (Tranche 2) Explanatory Booklet and:

<https://www.daera-ni.gov.uk/publications/animal-products-applications>

Pesticide Application Equipment – For information on requirements for operators applying pesticides please refer to:

<https://www.daera-ni.gov.uk/sites/default/files/publications/dard/pesticide-spray-a4-flyer.pdf>

Fencing: For information on fencing specifications and installation guidelines see Annex F of the (FBIS-C) Tier 1 (Tranche 2) Explanatory Booklet.

Other considerations

Biosecurity units: For the Prefabricated Biosecurity Unit specification See Annex G of the (FBIS-C) Tier 1 (Tranche 2) Explanatory Booklet.

Tensioned covers for above ground slurry stores: See Annex I of the (FBIS-C) Tier 1 (Tranche 2) Explanatory Booklet for relevant information.

In all cases the following costs are not eligible expenditure:

- Installation costs (except fencing)
- Commissioning costs
- Warranties
- Consumables
- Running costs
- Site works
- Investments relating to non-agricultural
- Computer hardware such as PC, laptop, printer, etc
- Charges incurred in tendering
- Professional fees
- Delivery costs
- Second hand equipment
- Interest charges
- Planning permissions
- Service and fuel supplies – electricity, water, oil, gas, etc.
- Training costs

The above list of ineligible expenditure is not exhaustive. Please refer to Annex B of the Explanatory Booklet for further details.

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

E. Environment, Weather Resistance and Climate Change

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E10	Advanced fertiliser sower: to include full GPS system with tractor guidance system to include variable rate application, headland /border spreading capability.			1	18,835	7,535
E11	Fertiliser sower: capable of connecting to a GPS system with tractor guidance system to facilitate variable rate application, headland /border spreading capability.			1	5,590	2,235
E12	Tractor mounted seed drill: minimum width of 3 metres, (10ft) minimum 750kg hopper capacity, hydraulic or electro-hydraulic bout markers, metering system. Must be compatible with combined fertiliser drilling.			2	29,965	11,985
E13	Tractor mounted/trailed sprayer: boom width 15-18 metres - tank size 800-1,500 litre model to include a minimum of: hydraulic booms, in cab electronic control of each boom section and spray pressure. Operators applying pesticides must provide a certificate of competence for using this machine.			2	17,930	7,170

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E14	Tractor mounted/trailed sprayer: boom width 21 metres and over, 1,000-1,800 litre capacity to include a minimum of: hydraulic booms, in cab electronic control of each boom section and spray pressure. Operators applying pesticides must provide a certificate of competence for using this machine.			2	24,770	9,905
E15	Rate controlled, tractor mounted/trailed sprayer: boom width 15-18 metres, tank size 800-1,500 litre capacity, capability of connecting to a GPS system with tractor guidance system, hydraulic booms, in cab electronic control of each boom section and spray pressure. Operators applying pesticides must provide a certificate of competence for using this machine.			1	21,080	8,430
E16	Rate controlled, tractor mounted/trailed sprayer: boom width 21 metres and over - tank size 1,000-1,800 litre capacity, to include a minimum of: capability of connecting to a GPS system with tractor guidance system, hydraulic booms, in cab electronic control of each boom section and spray pressure. Operators applying pesticides must provide a certificate of competence for using this machine.			1	25,705	10,285

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E17	Rate controlled and GPS tractor mounted/trailed sprayer: boom width 15-18 metres - tank size 800-1,600 litre capacity to include a minimum: full GPS system with tractor guidance system, hydraulic booms, in cab electronic control of each boom section and spray pressure. Operators applying pesticides must provide a certificate of competence for using this machine.			1	25,410	10,165
E18	Tractor mounted/trailed rate controlled and GPS sprayer: boom width 21 metres and over - tank size 1,000-1,800 litre capacity to include a minimum of: full GPS system with tractor guidance system, of hydraulic booms, in cab electronic control of each boom section and spray pressure. Operators applying pesticides must provide a certificate of competence for using this machine.			1	27,580	11,035
E19	Global Positioning System (GPS) to include at minimum: GPS receiver, data logging software, mount, auto steer and Real Time Kinematic (RTK) capability – not steer ready			1	6,960	2,785

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E20	Advanced Global Positioning System (GPS) to include at minimum: GPS receiver, data logging software, mount, auto steer and Real Time Kinematic (RTK) – steer ready.			1	15,025	6,010
E21	Compact fungicide applicator for potato/vegetable planter (Dust or liquid, 2 to 4 rows). Operators who apply pesticides must provide a certificate of competence for using this machine.			1	4,225	1,690
E22	Table/grader fungicide applicator that also facilitates the application of growth inhibitors to include at minimum air treatment canopy for use with potato/vegetable crops. Operators who apply pesticides must provide a certificate of competence for using this machine.			1	4,765	1,905
E23	1.83 metres (6ft deep roll) - curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only). Grant support per metre.		Must be purchased in conjunction with E25	2	115	46
E24	2.44 metres (8ft deep roll) curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only). Grant support per metre.		Must be purchased in conjunction with E25	2	150	61

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E25	Automatic variable ventilation system in livestock buildings. To include a minimum of: electric drive motors, control panels and roof mounted weather stations with sensors.		To be purchased in conjunction with E23, or E24	2	2,570	1,030
E26	2,000-4,999gal (9,090-22,725 L) capacity. Rainwater harvesting pre-fabricated covered system with filter and pump	Tanks for purposes other than collecting and storing rain water.		1	5,485	2,195
E27	5,000-7,999gal (22,730-36,365 L). Rainwater harvesting pre-fabricated covered system with filter and pump	Tanks for purposes other than collecting and storing rain water.		1	7,415	2,965
E28	Over 8,000gal (36,370 L) capacity. Rainwater harvesting pre-fabricated covered system with filter and pump.	Tanks for purposes other than collecting and storing rain water.		1	8,770	3,510
E29	Slurry separator (can be a brushed screen or screw press system).	Slurry separators that produce green bedding.		2	30,000	12,000
E30	Robotic slurry scraping device.			2	14,155	5,660

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E31	One passage - automated slurry scraping system.			2	4,280	1,715
E32	Two passage - automated slurry scraping system.			2	6,705	2,680
E33	Three passage - automated slurry scraping system.			2	8,415	3,365
E34	Four passage - automated slurry scraping system.			2	10,430	4,175
E35	Slurry tanker (up to 2,000 gallon) fitted with a trailing shoe/trailing hose/dribble bar or shallow injection slurry distribution system. (Must include a macerator).	Tanker only.		1	20,385	8,155
E36	Slurry tanker (2,000 gallon and over) fitted with a trailing shoe/trailing hose/dribble bar or shallow injection slurry distribution system. (Must include a macerator).	Tanker only.		1	23,560	9,425
E37	Trailing shoe/trailing (up to 7 metres/23ft) hose/dribble bar or shallow injection slurry distribution system fitted to an existing tanker or for use with an existing umbilical system. (Must include a macerator).	Tanker or umbilical system, Engineer's certificate costs.		1	11,110	4,445

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E38	Trailing shoe/trailing hose/dribble bar (7 metres up to 10 metres/23ft - 32ft) or shallow injection slurry distribution system fitted to an existing tanker or for use with an existing umbilical system. (Must include a macerator).	Tanker or umbilical system, Engineer's certificate costs.		1	13,675	5,470
E39	Trailing shoe/trailing hose/dribble bar (10 metres/32ft and over) or shallow injection slurry distribution system fitted to an existing tanker or for use with an existing umbilical system. (Must include a macerator).	Tanker or umbilical system, Engineer's certificate costs.		1	15,250	6,100
E40	Umbilical hose for use with trailing shoe/dribble bar or shallow injection slurry distribution system. Grant support per metre.		250	1	10	4
E41	High pressure umbilical centrifugal chopper pump to supply trailing shoe/dribble bar or shallow injection slurry distribution system.	Slurry pump for outside mixing Point (item G30).		1	7,285	2,915
E42	Umbilical hose reel system for use with trailing shoe/dribble bar or shallow injection slurry distribution system (minimum capacity to carry 600 metres).			1	4,095	1,640
E43	Slurry flow monitoring system to include RTK (Real Time Kinematic) and GPS capability.			1	7,650	3,060

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E44	Tensioned cover for an above ground slurry store to include associated fixtures and fittings. Grant support per square metre.	Floating covers, covers on stores constructed prior to 21st July 2003 [SSAFO Regs (NI) 2003], Engineer's certificate costs.	66	1	38	15
E45	Tractor mounted grass/soil aerator (Up to 3 metres/10ft).			1	2,450	980
E46	Tractor mounted grass/soil aerator (over 3 metres/10ft).			1	4,395	1,755
E47	Trailed grass/soil aerator. (Minimum to be over 3 metres/10ft).			1	7,360	2,945
E48	Sub soiler (2 legs only).			1	4,720	1,890
E49	Sub soiler (more than 2 legs).			1	7,410	2,965
E50	Electronic cow heat detection system.			1	3,950	1,580
E51	Cow heat detection system collars / transponders /pedometers. Grant support per collar/transponders/pedometers.	Electronic ear tags.	33	1	77	31

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E52	In parlour feeders (to include IT link with the capability to "feed to yield" (Grant support per milking point).	Computer software package.	5	1	540	215
E53	1 station - Automated out of parlour feeding system (to include IT link with the capability to "feed to yield".	Computer software package.		1	4,600	1,840
E54	2 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield ".	Computer software package.		1	7,550	3,020
E55	3 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield"	Computer software package.		1	10,380	4,155
E56	4 stations -Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.		1	13,975	5,590
E57	Milk meter. Grant support per milking point.		3	1	1,125	450
E58	1 station - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).			1	6,090	2,435

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E59	2 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).			1	7,830	3,130
E60	3 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).			1	10,930	4,370
E61	4 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).			1	14,125	5,650
E62	1 station and 1 animal feed dispenser (milk and feed) - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).			1	8,275	3,310
E63	2 stations and 2 animal feed dispensers - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).			1	9,470	3,790
E64	3 stations and 3 animal feed dispensers - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).			1	11,480	4,595

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E65	Milk plate cooler system to include water storage tank with at least 220 gal/1,000 L in capacity.			2	2,730	1,090
E66	Dairy unit heat exchanger. (Heat recovery capacity up to 88 gal/400Litres).			2	2,895	1,160
E67	Dairy unit heat exchanger. (Heat recovery capacity over 88 gal/400 Litres)			2	5,640	2,255
E68	Automated electronic cattle identification system allowing identification of individual animals.			1	11,200	4,480
E69	Cattle electronic identification collars/ pedometers/transponders. Grant support per identifier.	Calf collars.	35	1	71	28
E70	Heat pads for pig farrowing and weaner accommodation (Grant support per single space only).		18	2	145	57
E71	Circular multi-space- Ad lib feeders for growing and finishing pigs. (Wet and dry feeder versions).		8	2	325	130
E72	Single/multi-space -Ad lib feeders for growing and finishing pigs. (Wet and dry feeder versions).		15	2	175	70

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
E73	Automation of ventilation for Throwbridge/Solari pen, to include at minimum: one controller, one motor, one sensor and 10 pulleys. Grant support per 10 pens.		2	2	1,995	800
E74	Ventilation fan to include rigid chimneys, inlets & inverter/controller.		3	1	1,245	495
E75	Poultry canopy brooder. Grant support per 1,000 birds.	Incubators.	16	1	165	67
E76	Pan feeding system for broilers. Grant support per metre.		83	1	30	12
E77	Auger/chain feeding system for layers. Grant support per 1,000 birds.		3	1	1,075	430
E78	Fan assisted radiators for connection to a hot water system (poultry house only).	Radiators for any use other than in poultry houses.		1	2,780	1,115
E79	Horticultural transplanting machine.			1	29,970	11,990
E80	Tractor mounted seed drill for horticulture.	Drill for any use other than horticulture.		2	21,670	8,670
E81	Plant potting machine.			2	25,900	10,360
E82	Shade and/or thermal screens for glasshouses & polytunnels. Grant support per square metre.	Plastic covers.	500	1	5	2

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

F. Animal and Plant Health

	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
F10	Rubber slat mat for livestock housing. Grant support per square metre.		51	1	49	20
F11	Solid rubber mats for hard surfaced areas in livestock houses. Grant support per square metre.	Mats for equines.	63	2	40	16
F12	8 – 15.5 tonnes single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.			3	2,460	985
F13	8 – 15.5 tonnes split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.			3	3,475	1,390
F14	8 – 15.5 tonnes single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass			3	5,205	2,080
F15	8 – 15.5 tonnes split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.			3	6,235	2,495
F16	16 – 29.5 tonnes single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.			3	3,815	1,525
F17	16 - 29.5 tonnes split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.			3	5,455	2,185
F18	16 – 29.5 tonnes single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.			3	5,620	2,250

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
F19	16 – 29.5 tonnes split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.			3	6,950	2,780
F20	30 tonnes and over single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.			3	4,710	1,885
F21	30 tonnes and over split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.			3	6,430	2,570
F22	30 tonnes and over single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.			3	7,255	2,900
F23	30 tonnes and over split chamber with auger/gantry -vermin proof bulk feed bin. Galvanised or fibreglass.			3	8,570	3,430
F24	Motorised roller shutter doors for vermin proofing of agricultural and horticultural buildings. Minimum width of door 3 metres to allow tractor access. Grant support per square metre.	Motorised roller shutter doors on machinery sheds and non agricultural buildings.	34	2	73	29
F25	Automated vehicle disinfectant wheel spray system for biosecurity.			2	4,090	1,635

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
F26	Pre-fabricated biosecurity unit for animal and plant health. Grant support per square metre and available up to 26 square metres. Refer to DAERA specification at Annex G of the FBIS-C Tier 1 Tranche 2 Explanatory Booklet.	Canteen/ kitchen facilities, site preparation, ramps, access steps, connection to services.	4	1	745	295
F27	Water sanitising/filtration system for removing impurities/pathogens. Grant support per 10,000 litres daily throughput.			1	4,500	1,800
F28	Fibreglass/plastic calf igloo to include pen and associated fixtures and fittings. Minimum capacity 6 calves.		2	3	1,330	530
F29	Fibreglass/plastic calf igloo to include pen and associated fixtures and fittings. Minimum capacity 15 calves.		2	3	2,050	820
F30	Colostrum management system to include: refractometer, water bath capable of pasteurisation and thawing, filling machine, feeding device and refrigerated colostrum bank.			2	5,100	2,040
F31	Vehicle mounted straw chopper.			3	6,825	2,730
F32	Trailed straw chopper.			3	13,410	5,365
F33	Automatic feed passage push equipment.	Tractor mounted attachments		2	5,000	2,000
F34	Robotic feed passage push equipment.			2	13,915	5,565

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
F35	Automated cattle foot dip with pumped flow and recirculation system.			2	4,035	1,615
F36	Automatic cluster remover. Grant support per milking point.		4	2	765	305
F37	Cow cubicles with associated fixtures and fittings	Precast cubicle beds.	45	2	56	22
F38	Cow mattresses. Grant support per cow space.		29	2	89	36
F39	Cow cubicle mats (17-25mm). Grant support per cow space.		63	3	41	16
F40	Cow cubicle mats (26-35mm). Grant support per cow space.		36	3	70	28
F41	Cow cubicles AND cow mattresses. Grant support per cow space.	Precast cubicle beds.	18	2	145	58
F42	Cow cubicles AND cow cubicle mats (17 - 25mm). Grant support per cow space.	Precast cubicle beds.	27	3	97	38
F43	Cow cubicles AND cow cubicle mats (26 - 35mm). Grant support per cow space.	Precast cubicle beds.	20	3	126	50
F44	Motorised automatic cow brush system.		2	3	1,550	620
F45	Milk cluster flushing system. Grant support per milking point.		4	3	575	230
F46	Vehicle mounted bedding dispenser attachment.			3	5,255	2,100

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
F47	Plastic slats for pigs/sheep, includes stainless steel support system. Grant support per square metre.		50	1	49	20
F48	Pig farrowing crate to include associated fixture and fittings.		9	2	305	120
F49	Sow free access voluntary cubicles to include associated gates and fixtures.		18	2	140	57
F50	Insulated bonded wall panels for pig housing. Grant support per square metre.	Spray foam insulation.	33	1	79	32
F51	Insulated ceiling panel for pig housing with power washable coating, minimum 50mm depth. Grant support per square metre.		77	1	33	13
F52	Insulated filled wall divider board for pig housing (40mm and over) including edge strips. Grant support per square metre.		63	1	41	16
F53	PVC pen divisions/panels for pig housing. Grant support per square metre.		59	3	42	17
F54	Up to 450kgs - small capacity farm incinerator (capable of handling poultry only) <50kg/h burn rate. DAERA Veterinary Service pre approval required.	Industrial incinerators >50kg/h burn rate.		3	7,860	3,145

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
F55	From 450 – 999kgs medium capacity farm incinerator (capable of handling small volumes of pig cadavers and poultry) <50kg/h burn rate. DAERA Veterinary Service pre approval required.	Industrial incinerators >50kg/h burn rate.		3	15,270	6,110
F56	Over 1tonne large capacity farm incinerator (for larger pig herds) <50kg/h burn rate. DAERA Veterinary Service pre approval required.	Industrial Incinerators >50kg/h burn rate.		3	22,625	9,050
F57	Nipple line for poultry housing. Grant support per metre.		167	2	16	6
F58	Auto poultry weigher with pad or perch.		2	2	1,290	515
F59	Poultry housing ventilation control panel.			1	3,000	1,200
F60	Tractor mounted horticultural axial fan sprayer, 200L capacity with hand washing tank. Operators who apply pesticides must provide a certificate of competence for using this machine.	Single fluid boom sprayers without air assistance fan/compressor.		2	4,050	1,620
F61	Trailed, 220 gal (1,000L), axial fan, broadcast type air-assisted nozzle sprayer for orchard crops. Operators who apply pesticides must provide a certificate of competence for using this machine.	Single fluid boom sprayers without air assistance fan/compressor.		2	8,375	3,350

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
F62	Trailed, 220 gal (1,000L), tower fan broadcast type air-assisted nozzle sprayer for orchard crops. Operators who apply pesticides must provide a certificate of competence for using this machine.	Single fluid boom sprayers without air assistance fan/compressor.		2	9,785	3,915
F63	Trailed, 330 gal (1,500L), axial fan, broadcast type air-assisted nozzle sprayer for orchard crops. Operators who apply pesticides must provide a certificate of competence for using this machine.	Single fluid boom sprayers without air assistance fan/compressor.		2	11,045	4,420
F64	Net washer to automatically roll up and wash mushroom growing nets.			2	6,525	2,610
F65	Winch with adjustable speed to match compost filling machine for pulling net full of mushroom compost onto Dutch shelving.			3	17,685	7,075
F66	Plant/weed gas burner.			3	18,750	7,500
F67	New double boundary fence – 2 permanent stockproof fences with a gap of not less than 2 metres between them to improve biosecurity. Posts must be at least 1.83 metres (6ft) and must have a minimum 15 year life, guaranteed by the manufacturer. Grant support per metre.		209	3	12	4.80

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

G. OCCUPATIONAL HEALTH AND SAFETY

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
G10	Portable sheep handling unit to include a minimum of: guillotine gate, shedding gate, race, footbath and collection pen	Individual sheep hurdles/gates not part of the unit.		3	2,575	1,030
G11	Portable sheep handling unit with turnover/squeeze crate -to include a minimum of: guillotine gate, shedding gate, race, footbath and collection pen.	Individual sheep hurdles/gates not part of the unit.		2	3,235	1,295
G12	Portable sheep handling unit with weighbridge and turnover/squeeze crate to include a minimum of: guillotine gate, shedding gate, race, footbath and collection pen.	Individual sheep hurdles/gates not part of the unit.		1	3,895	1,560
G13	Portable sheep handling unit with turnover/squeeze crate to include a minimum of: an EID race reader, electronic weighbridge and associated software, guillotine gate, shedding gate, race, footbath and collection pen.	Individual sheep hurdles/gates not part of the unit.		1	7,880	3,150
G14	EID sheep race reader, including crate, electronic weighbridge and associated software.	Individual sheep hurdles / gates not part of the unit.		1	4,645	1,860

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
G15	Automated cattle shedding gate, associated controls and software.			2	8,855	3,540
G16	Mobile galvanised cattle crush to include a minimum of: weighing platform or loadbars, adjustable crush gate/yoke, rear gate/ratchet rump bar.			1	3,120	1,250
G17	Mobile galvanised cattle squeeze, head scoop crush to include a minimum of: head scoop attachment, squeeze mechanism, adjustable crush gate/yoke, rear gate/ratchet rump bar.			1	4,000	1,600
G18	Mobile galvanised cattle weighing squeeze, head scoop crush to include a minimum of: weighing platform or loadbars, head scoop attachment, squeeze mechanism, adjustable crush gate/yoke, rear gate/ratchet rump bar.			1	4,555	1,820
G19	Mobile galvanised hoof trimming cattle crush to include a minimum of: adjustable crush gate/yoke, rear gate, moveable side access, ratchet rump bar hoof trimming winch and support.			1	3,520	1,405
G20	Mobile cattle crush run to include head locking yoke.			2	6,060	2,425

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
G21	Calving gates incorporating deadlock head yoke and side containment gate.	Head yokes only.	5	1	530	215
G22	Bale splitter (must be able to retain plastic bale cover).	Buckrakes & vehicle mounted shear grabs.		3	2,565	1,025
G23	Round Bale unroller.			3	4,655	1,860
G24	Livestock trailer, minimum 8ft/2.4 metres body length, aluminum/galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor/tank, ventilation openings, side ramp gates, inspection door, brakes and lights.	Horse Boxes.		2	3,030	1,215
G25	Livestock trailer, minimum 8ft/2.4 metres body length, including sheep decks, aluminum /galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor/tank, ventilation openings, side ramp gates, inspection door, brakes and lights	Horse boxes.		2	3,715	1,485
G26	Livestock trailer, 10 - 13ft/3.05 metres - 3.96 metres body length, aluminum/galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor/tank, ventilation openings, side ramp gates, inspection door, brakes and lights.	Horse boxes.		2	4,055	1,625

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
G27	Livestock trailer, 10 - 13 ft/3.05 metres – 3.96 metres body length, including sheep decks, aluminum/galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor/tank, ventilation openings, side ramp gates, inspection door, brakes and lights.	Horse boxes.		2	5,275	2,110
G28	Livestock trailer, 14ft/4.3 metres and over body length, aluminum/galvanised, to include a minimum of: dividing gates, full roof cover, slip resistant and effluent retaining floor/tank, ventilation openings, side ramp gates, inspection door, brakes and lights.	Horse Boxes.		2	4,705	1,880
G29	Livestock trailer, 14ft/4.3m and over body length, including sheep decks, aluminum/galvanised, to include a minimum of: dividing gates, full roof cover, slip resistant and effluent retaining floor/tank, ventilation openings, side ramp gates, inspection door, brakes and lights.	Horse Boxes.		2	5,975	2,390
G30	Slurry pump for outside mixing point.			3	2,895	1,155
G31	Up to 4.5 metres width, over seeder for introduction of clover/grass seed into swards for renovation.			1	4,040	1,615

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
G32	Over 4.5 metres width over seeder for introduction of clover/grass seeds into swards for renovation.			1	7,790	3,115
G33	Minimum 1.8 metres width yard sweeping brush with collection box.			2	2,520	1,010
G34	Generator to include a minimum of: 50-100kVA output, automatic mains failure control and weatherproof acoustic silencer canopy.	PTO driven generators.		2	9,555	3,820
G35	Generator to include a minimum of: 125-160kVA output, automatic mains failure control and weatherproof acoustic silencer canopy.	PTO driven generators.		2	15,050	6,020
G36	Mobile benching for internal plant transport. Grant support per square metres.		36	3	70	28
G37	Horticultural conveyor unit.			3	2,560	1,025
G38	Apple bin tipper.			2	9,375	3,750
G39	Apple bin filler.			2	12,230	4,890
G40	Fully automated Potato/vegetable twin box filling machine including automatic raise and lower capacity and ultrasonic crop sensors to ensure minimum drop.			1	19,050	7,620

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
G41	Potato/vegetable box tipping machine, 1 tonne capacity.			2	11,175	4,470
G42	Fully automated Potato/vegetable box tipping machine, 1 tonne capacity.			1	16,560	6,625
G43	Emptying/filling conveyor for mushroom compost.			2	14,920	5,970
G44	Sow service cubicles to include trough, drinker and associated gates.		12	2	225	89
G45	Cross conveyor for egg collection.			3	7,830	3,130

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

H. PRODUCTION AND RESOURCE EFFICIENCY

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
H10	Pedestal crop ventilation column with fan.		4	2	790	315
H11	Mobile grain drier, minimum 9 tonne capacity.	Additional conveyors/ augers, fuel storage.		2	30,000	12,000
H12	Over 200 tonne capacity potato store ventilation system with refrigerated cooling.			2	20,475	8,190
H13	Condensing units for refrigeration for fruit and vegetables stores to include condensing units with a capacity for 9 to 12 kW output.		2	2	1,840	735
H14	Feeding rig for soft fruit.			1	9,225	3,690
H15	Vehicle drive over axle weigher.			2	5,605	2,240
H16	Horticultural bed former, maximum bed width 1.85 metres, including tiller/power harrow system.			2	9,435	3,775
H17	Auto reset bed former/ridger (potato/arable) excluding tiller/power harrow system.			3	6,985	2,795

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
H18	Auto reset bed former (potato/arable) including tiller/power harrow system.			2	13,360	5,345
H19	Mushroom ruffling machine plus lift for ruffling casing soil on Dutch shelves. Must have variable travel speed and variable axial speed (including cable drum).			2	22,900	9,160
H20	Multi-tier aluminum shelves for mushroom growing. Grant support per square metre.		60	1	42	17
H21	Diet feeder with weighing system, up to 13 cubic metres capacity.			3	13,515	5,405
H22	Diet feeder with weighing system, from 13 up to 18 cubic metres capacity.			3	20,545	8,215
H23	Diet feeder with weighing system, 18 cubic metres capacity and over.			3	27,020	10,805
H24	Topper – offset, minimum width 1.5 metres/5ft.			3	3,235	1,295
H25	Reed/rush control mulcher.	Hedge cutters		3	5,425	2,170
H26	Disc mower for topping (maximum width of 2.4 metres/ 8ft).			3	5,200	2,080

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
H27	Vehicle mounted/trailed weed wiper/lick. Operators who apply pesticides must provide a certificate of competence for using this machine.			3	2,650	1,060
H28	Grass tedder, (4 rotors only).			3	5,405	2,160
H29	Grass tedder (6 rotors only).			3	7,865	3,145
H30	Zero grazing machine (up to 26 cubic metres capacity).			3	21,290	8,515
H31	Zero grazing machine (26 cubic metres and over capacity).			3	26,665	10,665
H32	Ride on cubicle cleaner to include at minimum: bedding dispenser, sweeping brush and scraper.			2	11,665	4,665
H33	Self-loading ride on cubicle cleaner to include at minimum: self-loading hopper, bedding dispenser, sweeping brush and scraper.			1	16,175	6,470
H34	Misting system for animal housing to include at minimum: associated pipes, pipe fittings and misting nozzles. Grant support per square metre of floor coverage.		250	3	10	4
H35	Egg packer.			2	22,220	8,890

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
H36	Automatic nests for egg collection. Grant support per 1,000 birds.			1	2,940	1,175
H37	Pig batch weighing platform.			2	4,515	1,805
H38	New permanent electrified fencing (the minimum standard is four strands of 12 gauge, 2.5mm high tensile wire) to improve grassland management. Posts must be at least 1.83 metres (6ft) and must have a minimum 15 year life, guaranteed by the manufacturer. Grant support per metre.		500	3	5	2.00
H39	New permanent stock proof fencing to improve grassland management by sub-dividing an existing grazing management unit (where it is not a replacement fence). Posts must be at least 1.83 metres (6ft) and must have a minimum 15 year life, guaranteed by the manufacturer. Grant support per metre.		417	3	6	2.40

Rural Development Programme 2014 – 2020

The Farm Business Improvement Scheme – Capital (FBIS-C) Tier 1 (Tranche 2) is part of the overarching Farm Business Improvement Scheme. It is funded by the European Agricultural Fund for Rural Development (EAFRD) and the Department of Agriculture, Environment and Rural Affairs (DAERA) under Measure 4 (Business Investment Scheme) of the Rural Development Programme (RDP) 2014 - 2020.
