(Please fill out all relevant parts - Comments received may be supplied to any third party, on request.)

Please indicate if you have 'no objections' to this project.

No objection based on the information supplied. I feel that it will not have any significant, negative impact on the geological features of the nearest designated site, White Rocks Area of Special Scientific Interest.

Under what legislation/regulations do you have comments to make?

The Environment (Northern Ireland) Order, 2002 (As amended).

What specific objections do you have to this project and why?

[Empty response box]

Is there mitigation which you could recommend to offset these objections? Please specify.

[Empty response box]

Are there any European Designations affected by this project? What features are affected and how are they affected?

[Empty response box]

Do you require monitoring to be put in place?

The monitoring of potential impacts on White Rocks ASSI have been conditioned within the approved PA LA01/2017/0539/F.

Describe this monitoring (inc. type, frequency, limits, distribution)?

Are there any timing restrictions which you would apply to the project?

Do you have a requirement for any further information to be forwarded to you?

Any other comments
