Fair Processing Notice

The Department takes data protection and freedom of information issues seriously. It takes care to ensure that any personal information supplied to it is dealt with in a way which complies with the requirements of the Data Protection Act 1998. This means that any personal information you supply will be processed principally for the purpose for which it has been provided. However, the Department may also use it for other legitimate purposes in line with the Data Protection Act 1998 and Freedom of Information legislation. These include:

Administration of the Common Agricultural Policy and other aid schemes; Administration of the Common Fisheries Policy; The production and safety of food; Management of land and other environmental controls; Animal health and welfare; Compilation of statistics; Disclosure to other organisations when required to do so; and Disclosure under the Freedom of Information Act 2000 or the Environmental Information Regulations 2004 where such disclosure is in the public interest.
