

## **EXPORTER INFORMATION NOTICE**

### **Change to Notification Period on DECOL**

**4 September 2019**

From **Wednesday 18<sup>th</sup> September 2019** all exporters will be required to provide **a minimum of 1 full working days' notice of the intended date of dispatch of the consignment from the dispatching premises.**

In practice, this will mean restrictions on the future dates available when submitting your application.

For example, for applications made on Wednesday 4<sup>th</sup> September, the first available export date will be Friday 6<sup>th</sup> September.

For applications made on Thursday 5<sup>th</sup> September, the first available export date will be Monday 9<sup>th</sup> September.

Applications will be accepted up until 11.59 pm on the date of application.

Please note that the date of export currently required in step 1 of the DECOL application process is regarded as **the date of loading and dispatch from the final premises** of production and/or storage. It is **not** the date of shipment from a port in Northern Ireland.

Thank you for your cooperation in compliance with these changes.
