EXPORTER INFORMATION NOTICE - 03/2022

Dairy Exports to the Republic of Korea

Export Health Certificate (EHC) 8576 – Changes to certificate

Exporters of Dairy Exports to the Republic of Korea - using EHC 8576, should note that a new version of this certificate is now available at the [DEFRA Form Finder Website](#).

Background

- a) One of the conditions for use of EHC 8576 is that the competent authority shall produce and certify an 'Original' certificate and a 'Copy', identical to the original.
- b) To help meet this requirement and ensure that both documents can be certified by competent authorities, DEFRA have updated EHC 8576 to combine both 'Original' and 'Copy' certificates into **one single document**.

What has changed?

The purpose of this Exporter Information Notice is to notify exporters that:

The 'Original' certificate has been combined with the 'Copy' certificate into one document. Consequently, the document available for download on Form Finder now consists of 8 pages.
