

Moving Used Agricultural & Forestry Machinery (UAFM) from GB to NI under the NIPHL Scheme - Quick Step Guide

Used agricultural and forestry machinery moving from GB-NI must be washed and clean, internally, and externally, to ensure there is no risk of transporting quarantine organisms or pathogens.

NI Businesses moving UAFM from GB to NI must ensure they:

- 1** [Register with DAERA as a Professional Operator](#) (Note: You must have a business address in Northern Ireland) GB suppliers can only move machinery to businesses that are registered.
- 2** Professional Operators registered with DAERA, intending to receive NIPHL consignments must [sign a NIPHL declaration](#) to comply with the rules and conditions of the Scheme.
- 3** Register on [TRACES.NT](#)

Prior to moving goods to NI:

- 4** NIPHL issued by the GB Registered Authorised Operator, who provides consignment and transportation details to the NI Professional Operator.

- 5** Pre-notify DAERA by completing a Common Health Entry Document for Plant Products (CHEDPP) on TRACES.NT.
 - provide at least 4 hours advance notice of the arrival of consignment.
 - the NIPHL must be attached to the CHEDPP.
 - CHEDPP must include details of transport, including the vehicle registration number or trailer number along with the NI Port of arrival and the time the consignment is expected to arrive in NI.
- 6** A valid NIPHL must be attached to each individual object being moved.

Prior to arrival in Northern Ireland:

- 7** DAERA will conduct 100% documentary checks remotely on CHEDPPs.
- 8** NI Trader checks Goods Movement Reference (GMR) status through the Goods Vehicle Movement System (GVMS) prior to disembarkation.

Upon arrival in Northern Ireland:

- 9** Report to SPS Inspection Facility if notified of requirement for inspection (If GVMS does not flag the requirement for DAERA inspection, please proceed with your onward journey).

Goods move to final destination in NI as stated on CHEDPP:

The consignment must be for use in NI or for sale to an end consumer in NI. Professional operators in NI will be required to keep appropriate records. Random post movement assurance checks may be completed to verify compliance with scheme rules.
