

Between January and March 2015  
in Northern Ireland **80,000 tonnes**  
of council collected waste were sent for  
dry recycling and composting  
giving a recycling rate of **37%**

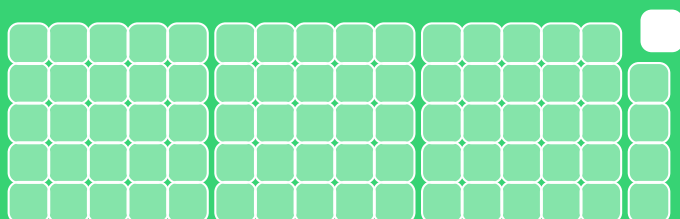

**compostables**  
made up  
**a third** of material  
collected for recycling

**paper and card**  
made up almost  
**a quarter**

Dry recycling  
and composting  
rose **1.3%** compared  
to the same three  
months of **2014**

■ 1,000 tonnes, Jan-Mar 2014  
■ +1,000 tonnes, Jan-Mar 2015
